

2016

RIDING HAS EVOLVED

SPYDER

THE EVOLUTION OF RIDING CONTINUES

We can live our lives in anticipation of the destination, or we can experience the adventure of getting there.

We can sit idle, waiting to arrive or we can open the throttle and enjoy the twists, the turns and the open-air exhilaration of it all.

The destination has been given a purpose.

The journey has evolved.

SPYDER **F3**

SPYDER **RT**

AWARD-WINNING DESIGN

The Spyder F3 has been named a 2015 Red Dot award winner for demonstrating exceptional product design and innovation. The Red Dot awards recognize the finest designs across many product categories and this recognition underscores our commitment to designing world-class recreational products.

RETAIL FINANCING OPTIONS

Together with our financing partner, we offer you a choice of finance options to help you own your Can-Am Spyder. Ask your authorized BRP dealer to find out more about the possibilities and options. Once you've chosen the finance package that suits you best, your dealer will handle all the details and do everything to get you on the road as quickly and easily as possible.

RIDEABLE WITH A CAR LICENCE*

In most European countries, all you need is a valid car licence to ride a Can-Am Spyder.

*Drivers in the UK and Ireland need to be at least 21 years of age, valid on UK & Ireland territory. For all other countries, please check your local authorities to confirm which licence you need to obtain to ride a Spyder roadster.

A STRONG COMMUNITY

From group rides to online discussions, the large and active community of Can-Am Spyder owners offers new riders support, advice and camaraderie. Facebook, Twitter, Instagram and forums are good ways to connect with the community.

CONVENIENT TEST RIDES

Nothing compares to the feeling of riding a Can-Am Spyder. And it's never been easier to experience—whether at a dealer or at a demo event. Visit canamspyder.com for more information and to find a dealer nearest to you.

FROM A TRUSTED NAME

Built by BRP, every Can-Am Spyder shares its DNA with some of the most exciting, innovative and reliable names in powersports—Ski-Doo® and Lynx® snowmobiles, Sea-Doo® watercraft, Can-Am ATVs and side-by-side vehicles, Evinrude® outboards, and Rotax® engines.

F3

WHERE CONVENTION ENDS, THE ULTIMATE JOURNEY BEGINS.

When you ride a Can-Am Spyder F3, the destination becomes the ride itself; a one-of-a-kind experience in open-air riding.

A cruising riding position, low center of gravity and performance-calibrated Vehicle Stability System provide dynamic handling and great cornering, while ensuring unprecedented control. The Rotax 1330 ACE™ engine offers the power, torque, and signature exhaust note guaranteed to make every journey exhilarating.

A CUSTOM FIT FOR EVERY RIDER.

To make the journey as comfortable as possible, all Spyder F3 models feature our exclusive UFit system, allowing both male and female riders to customize an exact fit based on their height and preferred riding style. Choose from five footpeg positions and five handlebar options to get ultimate fit and comfort.

FIND YOUR FIT AT CANAMSPYDER.COM OR VISIT YOUR CAN-AM DEALER AND ASK ABOUT THE SHOWROOM FIT TOOL.

Some models, equipment and accessories depicted may not be available or homologated in your country. Contact your Can-Am dealer for more details.

U-FIT

VINYL COAST TO COAST SEAT

Wide, well-shaped and generously padded driver and passenger seat deliver enough comfort for a coast-to-coast ride. Installs in seconds without tools and works with both driver and passenger backrests.

U-FUNCTION

LOW BOY WINDSHIELD

Sporty low windshield for F3-T and F3 Limited models. Scratch and UV-resistant 4.5 mm polycarbonate shield mounts on the stock supports.

U-STYLE

SHAMROCK WHEELS

Add personality to your Can-Am Spyder. Casted, painted and machined wheels.

U-PERFORMANCE

AKRAPOVIČ[†] STRAIGHT SHOT SILENCER

Premium chromed stainless steel shell construction, end cap and heat shields. Deeper, more guttural sound than stock silencer. Meets the most stringent standards—EPA & CARB.

RIDING GEAR

COOPER JACKET

Waterproof, windproof and breathable Teflon-treated fabric with RPM technology. Shaped sleeves, adjustable openings, a removable liner and underarm ventilation for comfort. Reflective details for safety.

UNIQUE BEGINS WITH U

Create a Can-Am Spyder that's as unique as you are. Let our exclusive 4U guide kick start your customization. Choose and cruise. As easy as 1-2-3-4.

U-FIT

Now you can tailor your Can-Am Spyder to fit you like a dream. Tweak and adjust the fit that lets you truly connect with your ride. It's all about comfort and enjoying every stretch and curve of the road to freedom.

U-FUNCTION

Every outing is different and that's part of the fun. Customize your Can-Am Spyder for the way you usually ride, and thanks to our easy-to-add or -remove integrated accessories, you can adjust as you need. Is it a solo or 2-up trip today? Stripped down or fully loaded? It's your journey—do it your way.

U-STYLE

Personalization speaks volumes about who you are, and our custom accessories let you say it with added sophistication and style. Don't just embrace your inner self, make a statement.

U-PERFORMANCE

Unleash the untapped power and handling of your Can-Am Spyder with our performance-boosting accessories. Because freedom means you get to choose how you travel your road.

SPYDER F3 ACCESSORIES AND RIDING GEAR

Some models, equipment and accessories depicted may not be available or homologated in your country. Contact your Can-Am dealer for more details.

SPYDER

ULTIMATE COMFORT AND LUXURY FOR THE LONG RUN.

The Spyder RT Y-frame design and sophisticated automotive technologies provide confidence—while the comfort-tuned suspension options, electric adjustable-height windshield, and premium saddle and backrest offer a luxurious ride for driver and passenger. Generous built-in cargo capacity and a premium sound system make the Spyder RT perfect for multi-day adventures, across town or cross-country.

The high-torque Rotax 1330 ACE in-line, triple-cylinder engine is smooth and responsive across the entire rev range, while the six-speed transmission utilizes a cutting-edge clutch-activation system and ECO™ mode smart-assist to enable a range up to 252 miles (406 km) at 62 mph (100 km/h) on a single tank of fuel.

Personalization speaks volumes about who you are, and our custom accessories let you say it with added sophistication and style. Don't just embrace your inner self, make a statement.

U-PERFORMANCE

Unleash the untapped power and handling of your Can-Am Spyder with our performance-boosting accessories. Because freedom means you get to choose how you travel your road.

U-FIT

TRI AXIS ADJUSTABLE HANDLEBAR

State-of-the-art adjustable handlebar reduces fatigue and delivers comfort for all riders thanks to unlimited adjustment possibilities. Three different axis allow you to adjust the handlebar in terms of height and width, and arm distance.

U-FUNCTION

ADJUSTABLE VENTED WINDSHIELD

Regulates driver frontal airflow. Integrated adjustable vent offers easy infinite adjustment of horizontal slats from closed to fully open.

U-STYLE

PASSENGER FOOTBOARDS

Enhance your look and riding experience with complete chrome passenger footboards assembled with rubber insulation pads. Mounting hardware included.

U-PERFORMANCE

AKRAPOVIČ SPORT TOURING 3C SILENCER

Set your ride apart with the dynamic, deep resonant sound of an Akrapovič silencer. Its premium titanium and carbon fiber construction is 55 percent lighter than stock model and it's been tested to meet the most stringent requirements.

RIDING GEAR

TECH PLUS JACKET

This lightweight and versatile jacket is 100 percent water and wind resistant and features a Sympatex waterproof, windproof, breathable membrane, integrated balaclava hood, shaped sleeves, adjustable openings, ventilation, reflective details and water-resistant pocket with zippers.

THE CONFIDENCE OF 7 AUTOMOTIVE TECHNOLOGIES, INCLUDING THE MOST ADVANCED VEHICLE STABILITY SYSTEM IN THE INDUSTRY

1. STABILITY CONTROL SYSTEM

The Stability Control System assesses the rider's intended direction and determines the vehicle's appropriate response. The system applies the brakes to the wheels individually and/or reduces excess engine torque until control is regained.

2. TRACTION CONTROL SYSTEM

The Traction Control System detects excessive rear-wheel spin (e.g., in slippery conditions), and provides better grip for a more confident ride. It accomplishes this by regulating engine ignition and fuel injection, reducing engine torque.

3. ANTI-LOCK BRAKING SYSTEM (ABS)

ABS monitors each wheel's rotation independently, and can reduce brake pressure to any wheel at risk of locking. Combined with Brembo brakes, it allows for maximum braking performance.

4. SEMI-AUTOMATIC TRANSMISSION

No clutch lever. No foot shifter. The semi-automatic transmission uses race car-style paddle shifting for quicker, smoother shifts. Manual transmission is also available.

5. REVERSE

True transmission-based reverse provides increased manoeuvrability and more complete control.

6. DYNAMIC POWER STEERING

The electronically controlled power steering system provides a varying amount of assistance, depending on vehicle speed—making it easier for any rider to manoeuvre and steer.

7. CRUISE CONTROL

Simple, one-handed operation and quick engagement allow the rider to easily set a comfortable pace. Available on specific models.

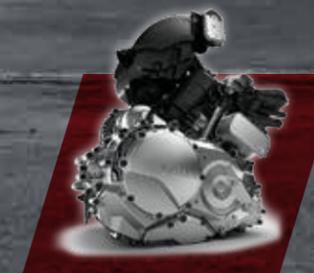

TOTAL FREEDOM AND CONFIDENCE COME STANDARD.

The Spyder features our signature Y-frame design and patented Vehicle Stability System, developed in partnership with BOSCH[†], providing precise handling and stability.

PROVEN ROTAX ENGINES

The Rotax 1330 ACE engine is configured with three in-line cylinders, producing high-torque response in every gear, 40 percent more low-end torque, and a deep, unmistakable exhaust note.

Depending on location, products are distributed by BRP European Distribution SA, BRP USA Inc., BRP Australia Pty Ltd. or Bombardier Recreational Products Inc. All other trademarks are the property of their respective owners. 1 Tested at constant speed. Fuel mileage may vary depending on riding habits, weather conditions, trip length, vehicle condition, vehicle configuration and other conditions. Break-in mileage may vary. Always ride responsibly and safely. Follow all instructional and safety materials. Always observe applicable local laws and regulations. Always wear a helmet, eye protection and appropriate protective clothing. And always remember that riding and alcohol/drugs don't mix. BRP reserves the right, at any time, to discontinue or change specifications, prices, designs, features, models or equipment without incurring obligation. Some models depicted may include optional equipment or accessories, which are not available or homologated in your country. Vehicle performance may vary depending on weather, temperature, altitude, riding ability and rider/passenger weight. Photos taken outside the European Union, on authorized terrain. To find a dealer near you, visit our website at canamspyder.com.

THE WORLD IS OUR PLAYGROUND

Nothing is more valuable than your playtime. That is why BRP is dedicated to continually finding new and better ways to help you enjoy your favorite powersports. From snow to water to both on- and off-road fun, our passion for adventure fuels the innovations that result in the ultimate powersports experience for our customers. We value

the land and water we play on and are committed to protecting it. Our desire to thrill is paired with an emphasis on rider responsibility, placing personal safety above all else. So that each outing can be the most enjoyable, memorable and thrilling experience possible. Because your free time should always be your best time.
